WRAS Approved Solenoid Valves

## DID YOU KNOW?

If you use any water from the public mains supply through any of your processes then you must comply with the WRAS byelaws. This means that any water fitting should not cause **waste, misuse, undue consumption & contamination** of the water supply.

Only available to purchase via Phone or Email. See details below.

\* WRAS approved seal materials only

Part Number	Type	Port Size	Voltage
172886	6013	1/4	24 DC
